

Welcome to SOTA's vision!

SOTA is a children's playground, a project privately built on a simple belief that

- play is a necessity and should not be a luxury
- children need a playground
- every child should have access to one
- play is the work of childhood

Over the past years we have been providing children from the surrounding community with free water, free counselling, coaching and mentoring in different types of sports: long tennis, basketball, table tennis, boule and chess.

See http://www.simi-odia-tennis-academy.org/sport_which_we_offer.htm

Many of these children come out of economically less privileged homes. So SOTA is the only opportunity they have to get, to see and to learn some of these sports. And they are extremely happy each day we can open.

You can join and help online at

Calabash e.V.

Postbank Hamburg

IBAN: DE06 6001 0070 0959 8157 09

BIC: PBNKDEFF

Please mention your name and address, so we can send you a receipt for tax deduction purposes.

Any support will be highly appreciated by us, the kids and youth we provide service to.

Please -if you have any question- feel free to contact us by e-mail info@simi-odia-tennis-academy.org

For immediate response, you can write also to simi@onlinehome.de

Agnes and Michael are married and have children. They love privacy and nature. They do not like publicity. So the best way to meet them is to write, make an appointment and visit them in their garden house in Germany. You will always be welcomed.

Yours faithfully

Agnes and Michael
